Did you know?

MISO MASTER®
Organic Miso is....

Made in the USA
• using ancient Japanese techniques
• uses handmade koji, the hallmark of traditional miso
• naturally aged

Certified
• Certified Gluten-Free*
• Non-GMO Verified
• Organic and Kosher Certified

A versatile ingredient,
adding flavor and nutrition to
• Salad Dressings
• Marinades
• Sauces and Dips
• And of course, Soups!

Nutritious and Beneficial
• unpasteurized, protecting enzymes that aid digestion & assimilation
• a “Live Food”, providing living lactobacillus cultures, the same probiotic bacteria found in yogurt.
• loaded with genistein, a plant isoflavone effective in preventing and retarding the growth of cancer cells.
• rich in antioxidants, which scavenge free radicals that can cause cell membrane damage.
• supports the immune system, energy bones, and blood vessels.

* Country Barley not Certified Gluten-Free
